

Questions are
Asking questions
really important.
makes me look
They help
silly!
everyone to learn.

I hate making
Mistakes are
mistakes.
valuable and
It's
grow your brain.
embarrassing!

This is so hard!
It's important!

Practise and
believe you can
do it.

Walt Disney

- The famous cartoon creator was once fired for “lacking imagination”.
- He persevered to form the Walt Disney company.

J.K Rowling

- 12 major publishers rejected Harry Potter and the Philosopher's Stone before Bloomsbury accepted it.

Will Smith

A week of inspirational maths

- Everyone can do maths. We are not allowed to say “I can’t do it” anymore.
- Praise mistakes.
- Ask questions.
- Take your time.
- Practise and work hard.
- Believe in yourself.

Let's do maths.
This is a math
No, my
thing is math
family and at
it.

If you want to
be a mathematician
you need to save
your money.
